

JILL SCHROEDER, Ph.D.

jischroe@nmsu.edu

575/646-2328 fax 8087

Education: Ph.D. in Agronomy/Weed Science, University of Georgia, Athens, 1985
M.S. in Soil Science (Soil Microbiology), University of Minnesota, St. Paul, 1981
B.A. in Biology, Macalester College, St. Paul, MN, 1975

Current Position: Distinguished Professor
Department of Entomology, Plant Pathology and Weed Science
New Mexico State University
Box 30003, MSC 3BE
Las Cruces, NM 88007

Previous Positions:

2010-2012 Interim Department Head, Dept. of Entomol., Plant Path. and Weed Science
1999-2012 Professor, Entomol., Plant Path. and Weed Science Dept, NMSU
1993-1999 Associate Professor, Entomol., Plant Path. and Weed Sci. Dept., NMSU
1987-1993 Assistant Professor, Entomol., Plant Path. and Weed Sci. Dept., NMSU
1985-1987 Research Agronomist, USDA-ARS, Coastal Plain Expt Stn, Tifton, GA
1981-1985 Graduate Research Assistant, Agronomy Dept., Univ. of Georgia, Athens.
1979-1981 Laboratory Assistant, Plant Pathology Dept., Univ. of Georgia, Athens.
1977-1979 Graduate Research Assistant, Soil Sci. Dept., Univ. of Minnesota, St. Paul.

Research Interest: Weed management, sustainable cropping systems; weed interactions with other pests including root-knot nematodes, viruses and insect vectors; identification and mapping of weeds found on irrigation canals, and effect of improved weed management on irrigation efficiency.

Additional Professional Experience:

8th International Integrated Pest Management Symposium Steering Committee Co-Chair. 2012-2015.

National Research Council, steering committee member for National Academies of Science National Summit on Strategies to Manage Herbicide Resistant Weeds, May 2012. (National Summit Website: <http://nas-sites.org/hr-weeds-summit/>)

Panel Chair, ARS NP 304F Peer Review Panel, Office of Scientific Quality Review. 2010

7th International Integrated Pest Management Symposium Steering Committee Co-Chair. 2010-2012. Symposium was held March 26-29, 2012, Memphis, TN, 633 attendees.

Weed Science Society of America Subject Matter Expert and Liaison to Environmental Protection Agency, Office of Pesticide Programs, Registration Division, Washington, DC. 2009-2013 (<http://wssa.net/WSSA/EPAliaison/index.htm>)

Weed Science Society of America: vice-president, president-elect and program chair, president, and past president. 2005-2009

CSREES Review Team, University of Idaho, PSES Department, 2003
Cultivating Leadership for a Changing Agriculture; Shared Leadership Workshops I & II, 2002,
2003, Weed Science Society of America Team
Western Society of Weed Science: President-elect and Program Chair, President, and Past
President. 2001-04
Council for Agricultural Science and Technology Board of Directors, 2002-2005
CAST/ICL Advisory Council for Leadership for Food System Change Program, 2000-2001
CAST Conversations on Change, Team member 1995-2000
NMSU Faculty Senate – 1999-2002.
Panel Manager, USDA/CSREES National Research Initiative, Weed Biology and Weed
Management Program, 1998-1999

Review Experience:

Panel Member:

USDA/NIFA/AFRI Controlling Weedy and Invasive Plants
ARS NP 304 Peer Review Panel, Office of Scientific Quality Review
USDA/Southern Region IPM Grants
USDA/North Central IPM Grants
WRIPM Center Issues and Workgroup Grants
USDA/CSREES National Research Initiative; Weed Biology and Weed Management Program
USDA/CSREES PMAP Program
USDA/CSREES Methyl Bromide Replacement Program
USDA/CSREES CAR/RAMP programs
NIFA EIPM program

Weed Science Journal - reviewer

Weed Technology Journal - reviewer, Associate Editor - 2000-2003

other journals and proposal panels - review on an ad hoc basis

Honors and Awards:

2012 Distinguished Professor Award, NMSU
2010 Fellow Award, Weed Science Society of America
2007-08 President; Weed Science Society of America
2007 USDA/CSREES Outstanding Integrated Program in Water Resources – Team Award
to Rio Grande Basin Initiative (TAMU and NMSU)
2006 NMSU, CAHE Team Award, S. H. Thomas, L.W. Murray, I. Ray co-recipients
2005 NMSU, CAHE Team Award, Rio Grande Basin Initiative
2005-07 Vice-president and President-elect; Weed Science Society of America
2004 President; Western Society of Weed Science
2001 Fellow Western Society of Weed Science
1999 Distinguished Research Award, NMSU College of Agriculture and Home Economics
1998-00 Secretary, Board of Directors Weed Science Society of America
1997 Western Society of Weed Science Presidential Award of Merit

Grant History:

- 2007-2011 R. Creamer, S. Bundy, J. Schroeder, L. Murray. Seasonal phenology of the beet leafhopper in relation to its weed hosts and beet curly top virus infection. Western Region IPM.
- 2005-2012 J. Schroeder, R. Sanderson, A. Ulery, M. Renz, L. Murray. Identification and detection of problem and noxious weeds on irrigation canals will lead to effective weed management programs and increase water for irrigation. USDA Special Grants, Rio Grande Basin Initiative.
- 2006-2009 J. Schroeder, S. H. Thomas, L. W. Murray, J. Libbin. Root-knot nematode resistant alfalfa for suppression of the yellow and purple nutsedge and root-knot nematode complex. USDA/CSREES Pest Management Alternatives Program.
- 2005-2008 J. Schroeder, R. Sanderson, A. Ulery, M. Renz, L. Murray. Identification and detection of problem and noxious weeds on irrigation canals will lead to effective weed management programs and increase water for irrigation. USDA Special Grants, Rio Grande Basin Initiative.
- 2004-2006 J. Schroeder, S.H. Thomas, I. Ray, M. Renz. Development of management strategies for multiple pest systems on chile pepper. Chile Improvement Project, NMAES.
- 2004-2006 M. Renz, S. Walker, J. Schroeder, E. Silva. Root development of chile peppers and weed management under two different irrigation regimes. Chile Improvement Project, NMAES.
- 2004-2006 R. Creamer, J. Schroeder, and S. Hanson. Working group for curly top virus biology, transmission, ecology, and management. Western Region IPM.
- 2003-2006 R. Creamer and J. Schroeder. The influence of climate on London rocket and beet leafhoppers and their role in curly top infection of chile in New Mexico. Western Region IPM.
- 2001-2005 J. Schroeder, R. Sanderson, A. Ulery. Identification and detection of problem and noxious weeds on irrigation canals will lead to effective weed management programs and increase water for irrigation. USDA Special Grants, Rio Grande initiative.
- 1998-2003 J. Schroeder, S. Thomas, L. Murray. Nutsedge-pepper-root-knot nematode interactions in an irrigated system. CSREES/National Research Initiative.
- 1997-2004 I. Ray, J. Schroeder, S. Thomas. A sustainable approach to nematode and weed management in chile using nematode-resistant alfalfa as a rotation crop. Chile Improvement Project. NMAES
- 1995-1997 J. Schroeder. Cucumber response to low concentrations of foliar and soil applied sulfonylurea herbicides. DuPont Corporation.
- 1994-1997 J. Schroeder, S. Thomas, L. Murray. Pepper-weed-root-knot nematode interactions in an irrigated system. CSRS/National Research Initiative.
- 1994-1996 J. Schroeder, J. Libbin. Herbicide influence on yield, quality, and cost of managing weeds in chile peppers. Western Region Pesticide Impact Assessment, National Pesticide Impact Assessment Program.
- 1994-1996 B. Lewis and J. Schroeder. Influence of alternate hosts on pepper weevil. Chile Improvement Project. NMAES

- 1992-2004 J. Schroeder and S. Thomas. Effects of multiple pest systems on chile peppers. Chile Improvement Project. NMAES.
- 1992-1994 S. Thomas, C. Liddell, C. Biles, J. Schroeder. *Phytophthora* interactions with root-knot nematodes and weeds. Chile Improvement Project. NMAES
- 1992-1994 R. Bowman, J. Schroeder. Plant uptake and plant toxicity of fluorobenzoates used as soil and groundwater tracers. CSRS Special Grants for Water Quality.
- 1991-1994 N. Christensen, J. Schroeder, T. Jones, J. Hendrickx. Chemical transport and persistence in a furrow irrigated no-till management system. CSRS Special Grants for Water Quality.
- 1991-1993 N. Christensen, J. Schroeder, J. Libbin. Economic comparisons between chemical fallow no-till farming systems and conventional clean till farming systems. Western Region Pesticide Impact Assessment.
- 1988-2013 J. Schroeder. Industry, commodity and student support.

Book chapters and edited publications:

TEACHING ACTIVITIES:

Courses taught

EPWS/AGRO 311/511 Introduction to Weed Science (4 hr): undergraduate/graduate course taught each fall semester.

Other courses taught as needed include seminar, special problems and special topics.
